

Today I learned about the government
Three branches in all
Each one of them has a role
Here is what they are called

Enforce'n laws
that is the first one
It's executive and the president is one
Then there is the judicial
They review and explain the laws

It's easy learnin and I'm learnin them real quick
There's no pressure, I'm not nervous
So that's when you know the final branch
makes laws all the time
makes laws all the time
makes laws all the time

CHORUS:

So I put my hands up
They're playing my song,
Enforce'n laws everyday
review'n the laws like yeah
makin' the laws like yeah,
And I got my hands up,
They're playin my song
I know I'm gonna be ok
Yeah, It's the government of the USA
Yeah, It's the government of the USA
