

I came to learn, learn, learn, learn  
about the govern ment ment ment ment  
I gotta know that there is three three three three  
Different branches you will see see see see  
Yeah, yeah

Cause we go on and on and on  
We learn a ton, a ton, a ton, yeah

I throw my hands up in the air sometimes  
Sayin' gover, government  
There are the three branches that I should know  
in the Gover, government

Cause we have exe-cu-tive  
They enforce the laws  
The president is the head  
And they enforce the laws

Then the ju-di-cial  
They review the laws  
Think supreme court  
they review the laws

I came to learn, learn, learn, learn  
about the govern ment ment ment ment  
I gotta know that there is three three three three  
Different branches you will see see see see  
Yeah, yeah

Cause we go on and on and on  
We learn a ton, a ton, a ton, yeah

I throw my hands up in the air sometimes  
Sayin' gover, government  
There are three branches that I should know  
in the Gover, government

Last is leg-is-lative  
And they make the laws  
It has two houses  
And they make the laws

Now you know all three  
And it's so easy  
Now you know all three  
And it's so easy
